WCC TIDBITS

If you have a spare walker available to donate to the Center it would be much appreciated. We have an occasional need for walkers to help people get from their car into the Center and a couple of spare walkers would help our members and friends avoid falls and get into the Center safely. Thanks!

Community Center Kudos!
A big Thank You to Duane Johnson who donated his time, skills and materials for our new reader board sign - it looks fantastic and is now lighted and protected from the elements. Duane was assisted by Jim Morrell and Dick Fee.

Another "shout out" to Lois, Margrette, Betty, Maura and Jody for their hard work in doing the final touches on the painting in the back room of the Center.
