## Thank you, Great Fish!

The 2023 Great Fish Challenge closed on Friday, September 15th. The Whitefish Community Center would like to extend a very grateful, "thank you" for each and every donation made to us. The amount donated in this year's campaign is \$44,025 and the matching amount from the Whitefish Community Foundation is \$12,400, giving the Center a total amount of \$56,425. Every donation is greatly appreciated. The funds raised help the Center maintain and expand our community outreach through the Meals on Wheels program and to increase our activities and program growth for individuals of all ages. We look forward to new and fun activities for all ages. The funds are also used to support the operating costs for the Center. We also want to send a big and sincere thank you to the Whitefish Community Foundation for the amazing and tireless work they do each year to make this campaign successful for all participating nonprofits and for the support they provide to our community during this annual summer fundraising effort.
