

The Golden Gazette

April 2024

Say Hello to our Program Director!

Welcome Tara to the Community Center,

She began her involvement with Non-profit work in high school. She then continued to volunteer internationally from medical clinics in the remote regions of Papua New Guinea to directing large scale outreach events within Los Angeles, California. Her 12 years within the Non-profit industry has fueled her passion for community development and advocacy at a local level. She loves to explore creative outlets within music, writing and videography alongside her love for the outdoors. She is thrilled to join the Whitefish Community Center, so be sure to introduce yourself the next time you visit!

Upcoming updates

Golden Gazette Name Change — Vote for New Name!

The Center will be retiring the name of our monthly newsletter, “The Golden Gazette,” and you can help the Center decide on a new name. During the month of April there will be a ballot box and ballots with suggested names placed at the front desk as you enter the front door. Vote for your favorite name and help us decide on a new name! We ask that you only vote once. We will announce the new name at the Annual Meeting on May 16. Come to the Annual Meeting and find out what the new name will be!

May 16th, 7:00 pm — Annual Election of Board members

Members will have an opportunity to ask questions of the Board. Our annual election of Board Directors will also be held. Two Directors are up for re-election and additional nominations can be made from the floor.

Thank you Whitefish Community Foundation!

With the help of the Whitefish Community Foundation, we will now begin using a new check-in-system for our members. This will help us monitor the impact of each program and continue to meet the needs of the community!

IMPORTANT NOTICE — Toe Nail Clinic

We are pleased to see how much the Toe Nail Clinic has grown and recognize how beneficial it has been for many of you. In order to continue this service, we will begin charging \$10 per person for this clinic service. With increased volume, it is our intention to offer this service for free again. This fee will be implemented until further notice. Thank you to everyone who has been working hard to maintain this program and we hope our members will continue to enjoy this service.

Road Map for Aging – Flathead County: Agency on Aging

This is an introductory session for starting a plan for the aging journey, finding resources to “age in place” and learning how to avoid crisis decision making. There are two sessions people can choose from, April 9th, 5:30-6:30 pm or April 10th, 12:00-1:00 pm. AOA is asking for RSVPs, 406-758-2471.

Generation-to-Generation Technology
Juniors help Seniors
Wednesday, April 10th at 12:00 pm

Would you like some help to better understand your smartphones or other devices? If you are frustrated with just trying to answer your phone or make calls, then the Community Center has the answer to your technology frustrations. On Wednesday, April 10 at 12:00 pm a group of Whitefish High School seniors will be offering one-on-one coaching to seniors on pretty much any tech topic and device. —

– smartphone use, texting, digital safety, cloud computing, connecting to a network and much more. A group of students came last year and we not only got technology help, but we had a great time too! We are pleased they have offered to come and help us again. Bring your tech frustrations to WCC on Wednesday, April 10 at 12:00 pm and get some help!

April Activity Calendar
