

The Golden Gazette September 2022

Please Support Us!

Donations can be made through September 16

The Great Fish Challenge is still ongoing and, of course, you are crucial to our success.

If you appreciate and value the work the Whitefish Community Center (the WCC) does for Meals on Wheels, please help us with this worthy cause by donating through the Great Fish Challenge. In 2021 we delivered over 9,000 meals to individuals just in Whitefish and would love to do even more.

The WCC is also a hub of activities that provides health, educational and social enrichment programs for all ages in Whitefish.

Remember, when you donate to the WCC through the Great Fish Challenge, a percentage of matching funds will be awarded to participating charitable organizations, including the WCC. This means your donation to the WCC will end up as much more than your actual donation.

We welcome and appreciate donations of any amount, large or small, but they must be made through the Whitefish Community Foundation.

Indicate that your gift is intended for the WCC.

On September 10, the WCC will have a tent set up at Depot Park for the Fun Run and Community Celebration. We will have games for both children and adults. Join in on the fun and stop by our tent!

If you have any questions please call the WCC at (406) 862-4923 or come by. And thank you for your support!

Help Needed

Our volunteers are the backbone of our Meals on Wheels program here at the Whitefish Community Center (WCC). We depend on each and every one of them and we thank them all. You too can make a difference in the lives of people who rely on the home-delivered meals for both nutrition and a friendly face to check in with them. We are in need of more volunteers and staff to become new members of our team. If you want to make a **difference in people's lives and help the WCC do** this important work for our community, please call us at (406) 862-4923. Come join our team!
